the ability to
adapt to change”**

Bio

Sustainable finance professional specialised in energy and climate change, NGO co-founder.

What was your first job?

Loan & credit card officer in Alpha Bank in Greece before my post grad degree in London UK.

What was your best job?

My current job in sustainable finance and ESG as I feel that I am supporting a greater purpose.

What attracted you to mentoring?

Wanting to share some of my past experiences with younger entrepreneurs and discuss fresh ideas that may shape the world.

How do you see the future of start-up's in Greece?

Necessary in order to progress in critical matters such as energy, digitization, AI etc.

What would you fill an empty pool with?

I am going to go with water.
